Re: Bolsch v. MW Mechanical, Inc. v. Hines and 140 BW
07 CV 7680 (RPP)

Dear Judge Patterson:

Kindly accept this correspondence as a formal request to modify the March 17, 2008 scheduling order in the above-captioned matter and, if appropriate, permission to file a motion to compel discovery responses. At this time, there is extensive discovery outstanding from the Defendants. Defendants Hines and 140 BW have failed to fully respond to Plaintiffs' interrogatories and document demands. Moreover, the Defendants have not been deposed although their testimony is now scheduled for August 11, 2008.

Thank you for Your Honor's attention to this matter.

Respectfully submitted,

MICHAEL J. ASTA

MJA
